

The image shows a screenshot of a trading platform's watch list. The watch list is titled "My Watch List (36)". The first entry is "XBTUSD". To the right of the ticker symbol are two small icons: a red square with a white plus sign and a green square with a white minus sign. Below these icons are two blue arrows pointing upwards. The table columns are "Ticker", "Bid", "Ask", "Volu...", and "%Chg". The values for XBTUSD are: Bid: 37,24..., Ask: 37,38..., Volu...: 9,923, and %Chg: +0.3... The table has a red background for the data row.

Ticker	Bid	Ask	Volu...	%Chg
XBTUSD	37,24...	37,38...	9,923	+0.3...

How do I get rid of the up  
and down arrow symbol in  
a list
